Date of photograph(s): November 2009, November 2012

"Hall with double storey facade divided into three bays by rusticated pilasters. Central bay has triangular raised parapet and round vent above a three-part arched window separated by pilasters, with a recessed entrance with columns. Side bays are surmounted by domes. Pilasters come together at first floor to form pedimented arch with paired arched windows on the first floor separated by pilasters, and paired windows on the ground floor with faceted pilasters. Round medallions with Star of David motif to side bays, and tablet with Hebrew writing to central bay. Granite plinth. Wrought iron gate ...
