

The Delta area is located to the north of the R45, that creates a distinct boundary in the larger Dwars River Area. Here the Dwars River meets the Berg River at F02, where the farm Solms Delta features a high degree of historic and social significance dating back to pre-colonial times. The landscape units on the verges

(F01 and F03) have a loose character, with large areas of open fallow land and sparse structures in comparison to nearby well-maintained blocks of vineyards and orchards.
