**SITE DESCRIPTION**

Altered Cape Dutch-syle homestead (1855), two sets of outbuildings, including one with an upstairs dovecote, and associated with an avenue of trees to the east (which is very interesting). Second dwelling has been much altered, the westernmost Victoria ...?

**STATEMENT OF SIGNIFICANCE**

The original Cape Dutch complex and later Victorian structures have architectural and landscape significance that has been (and appears to be undergoing) questionable and even intrusive alterations.
