**SITE DESCRIPTION**

Pasturage, with views of the undulating hills and mountain peaks towards Stellenbosch. The site is located at the junction of the R310 and Polkadraai roads.

**STATEMENT OF SIGNIFICANCE**

The site has landmark significance as a "gateway" into Stellenbosch, located at the intersection of the R310 and Polkadraai Roads. It has scenic and contextual significance. The site has historical significance as one of the commonage areas dating back to the first European settlement of the area, and this may indicate an older, pre-colonial pasturage area.
